

# DEAR POTENTIAL PARTNER

We hope that you will consider making a donation to the Ozark Trail Association (OTA). The OTA is a volunteer based 501(c)3 with a mission to develop, maintain, preserve, promote, and protect the rugged natural beauty of the Ozark Trail, a 430 mile backcountry trail through the most scenic areas of Missouri. Our volunteers contribute over 10,000 hours annually in support of that mission. Founded in late 2002, the OTA has built over 60 miles of new trail and maintains 430 miles annually.

### THE OZARK TRAIL & OTA

The Ozark Trail winds through the Missouri Ozarks, the result of an idea to run a trail from St. Louis to the Arkansas border and eventually connect with the Ozark Highlands Trail in Arkansas to create a 700-mile thru-trail. Much of the trail is open to bicycle and equestrian traffic, and the entire trail is open for hiking.

The Ozark Trail Association is a grass-roots non-profit volunteer group dedicated to the construction, maintenance and promotion of the Ozark Trail. The OTA was incorporated in December, 2002 and provides volunteer resources to build new trail, repair and maintain existing trail, and promote awareness and use of the trail. The OTA holds training workshops, schedules work outings, monitors trail conditions, manages the Adopt-A-Trail program, assists in trail planning, and currently has over 30 sawyers who contribute to volunteer maintenance on the Ozark Trail. For more information, visit [ozarktrail.com](http://ozarktrail.com). We deeply appreciate the continued generosity and support of our donors. Please feel free to inquire about any items in this request for funds.
